Stock has missed more than the two permissible meetings authorized under the borough code.

Last month's meeting was cancelled because of the absence of five of the seven councilmen. and Council President H. S. Griffin heard discussions concerning the enforcement of attendance. Mrs. Vesta Lingg, secretary, was instructed to notify Stock of council's decision.

OTHER BUSINESS

In other business council authorized the purchase of additional speed limit and warning signs required by the state highway department, and set August 15 as the date for a special meeting at which bids will be opened for the street. The state requires that speed limits be posted every 600 feet through borough and that warning signs be placed at each end of the borough.

U.S. FORCES READY AMBUSH FOR KOREANS

By CONRAD FINK

WITH U.S. 1ST CAVALRY DI-VISION, Korea (AP) - A heavy American force set up ambush positions in the demilitarized zone Monday night and withdrew at dawn today without contacting any Communist North Korean

The combat-ready Americans went into position at dusk Monday. They set up three traps for Communist patrols that have been striking into United Nations territory and on occasions launching strong attack on U.S. units.

The exact number of American troops involved was classified. But the U.S. force is known to have been much larger than the small patrols that normally guard the U.S. sector of the 151-mile truce line established after the Korean War,

STRONGER EFFORT

It is obvious that the U.S. command is determined to stop all North Korean movement—by large Red forces or small units-into what the 1953 armistice agreement termed U.N. territory.

In 1951, when he was eastern division manager of the restaurants on the Pennsylvania Turnpike, he and his associate decided the prayer cards would be an invitation and inspiration to all to give thanks before meals.

He has sustained the policy wherever his work has taken him. In the many letters of favorable comment, he has had requests for large numbers of the cards from both individuals and organizations. These requests he always fills. Recently a commandant of a military academy asked for the cards to be used by the cadets at meals. They rotate the blessings, using a different one at every meal. CLOSE VOTE

Observers predicted a close vote necessitating a runoff Aug. 27. Coleman was expected to face Johnson or Sullivan in the runoff, with the Democratic nominee to go against Republican Rubel Philips and independent Ed Bishop in he Nov. 5 general election.

The winner will succeed Gov. Ross Barnett, prohibited by state law from succeeding himself. Barnett has followed Mississippi custom by taking no public part in the race for a successor.

The vote-in plans reported by Negro sources would be an effort by unregistered persons to cast ballots under a state law permitting those wrongly omitted from poll lists to record their choices by affidavit.

Can a smile be heard?

CALL A LOVED ONE LONG DISTANCE AND SEE!

When someone's wishing they'd hear

from you . . . and suddenly they do . . . you'll know a smile can be heard. No matter how many miles separate you and a loved one, your telephone can melt them away in moments. Why not make yourself and someone else happy ... tonight! You'll both be glad you did. And it costs so little when you call station to station.
